Dear Cousins

We rec your letter saying  
you all was back home. I know  
you enjoy your travels.

As far Dad he about the  
same just little more fiddle his  
remember is short and don't talk much.  
it hat like Dad use to be he  
was a big talker. Mather up most  
of time but not very strong  
for my self I kept busy  
keep house + caring for them  
I made a little garden. Canned  
few things + put thing in deep  
freezer.

We are hot and dry in Tenn  
Need a good rain

Hope you have a nice trip...  
and hope you are well and happy.

I have a Cataract on one of my eye.  
and can not see to good. I thought  
I would get this mail today but the Postman  
have past with love Cousins  
from Dave Hattie

over. My sister Emma lives in Texas  
has a tumor on one kidney and a tumor on her heart  
in her back like in fact the Dr. said  
at her age would not operate on her.

You remember her in Pray and my nephew also.
