

### **About Forman, Inc.**

Forman, Inc. has been providing quality food service disposables and sanitary maintenance products since our founding in 1945. It is our mission that Forman, Inc. will continue to learn our customers needs and strive to provide the products and services that exceed their expectations.

### **Our History**

Forman, Inc. traces its roots all the way back to 1945 when Morris R. Forman and his son Leonard started what was then known as M. R. Forman and Son. They together got involved with the brokering of paper bags and sacks and shortly thereafter added additional lines and also began to warehouse the product.

From its inception Forman, Inc. has always sold products exclusively to wholesale distribution companies.

In 1952 Joseph Mucha joined the Forman team. In the ensuing years Forman continued to add product lines and expand its territory. In 1963 Morris Forman passed away. The company then moved forward under the direction of Morris' son Leonard and Joseph Mucha who eventually became Executive Vice President. In 1978 the Forman family decided to sell the business and it was purchased by Joseph and his brother, Frank Mucha, who changed the name to today's Forman, Inc. and proceeded over the years to quadruple the size of the business.

Today Forman, Inc.'s products are distributed out of a 140,000 square foot food grade warehouse in Laurel Maryland. The executive offices are located in Baltimore, Maryland. Forman, Inc. continues to expand its territory actually traveling to most states east of the Rockies with a primary trading area that encompasses Maryland, District of Columbia, Virginia, Delaware, Pennsylvania, New Jersey, parts of New York, North Carolina, Ohio, West Virginia and Connecticut.

Forman, Inc. distributes products from over 100 manufacturers of food service disposables, sanitary maintenance and related products to a vast array of national and regional wholesale distributors. Most distributors are serviced by a modern and company owned fleet of tractors and trailers. Forman, Inc. is a PreDistributor dedicated to providing quality service and products to our customers. In a current mission statement President/CEO Wayne A. Littlefield conveys that "Forman, Inc. will continue to learn from our customers of their needs and strive to provide the products and services that exceed their expectations."
